

Dear Councilmember [Last Name],

I am writing to express my strong support for **Prince George's Community Television (PGCTV)**—a vital resource that has served our community for over 40 years. PGCTV is more than just a media outlet; it is a **career development hub, an educational platform, and a lifeline for community engagement.**

Through hands-on training, internships, and mentorship, PGCTV has launched the careers of countless media professionals. It also ensures **local news, cultural programming, and community voices** are heard. Losing PGCTV would mean losing opportunities for future generations and silencing a key source of information for our county.

I urge you to stand with our community in **protecting PGCTV's funding** and ensuring its future. Your support will help sustain a **critical platform for education, empowerment, and engagement.**

Thank you for your time and leadership.

Sincerely,

[Your Name]
